EMPLOYEE FITNESS — CENTER

New Employee Health and Fitness Center!

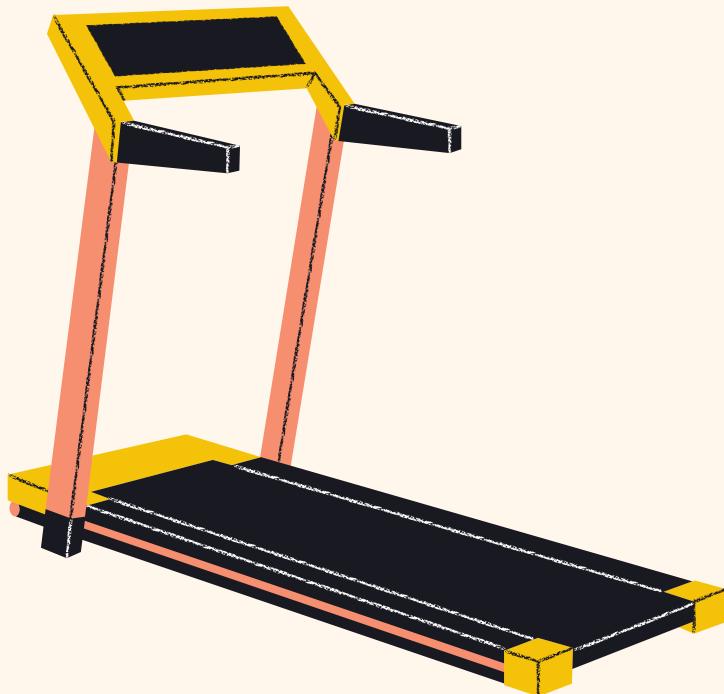

After several months of preparation, we are happy to announce the creation of a new Employee Health and Fitness Center. Made possible by a generous donation from a board member, the employee Fitness Center will promote employee wellness and community health. Jennifer Lawrence, who previously oversaw stroke patient therapy programs, will be the director of the Fitness Center.

Important Notes:

- Available to employees around the clock
- Free of charge
- Located in the North Wing, previously the Chiropractic Clinic
